Winter 2011 Parts Special

It's getting colder outside and it's a good time to make sure your units have all been serviced. We are offering some discounts on selected service items and kits to keep your equipment up and running!! Contact your local distributor for service kits for your annual maintenance. This way, your air compressor system will work at it's best all the time.

To assist you in maintaining your PTO compressor equipment, Boss Industries, Inc. is offering a 10% discount on the following service kits and parts, from November 1st, 2011 through February 29th, 2012. These original equipment replacement parts are designed specifically for your PTO air compressor, to provide long lasting optimal performance.

Boss Service Kits

These kits should be used on an ANNUAL basis.
