Spring 2008 Parts Specials

It has been a hard winter on your air compressor systems. Water and winter contaminants wreak havoc on compressors. Now would be an ideal time to service your units. Contact your local distributor for service kits for your annual maintenance. This way, your air compressor system will work at it's best all the time.

To assist you in maintaining your PTO compressor equipment, Boss Industries, Inc. is offering a 10% discount on the following listed service kits, through June 30th, 2008. These original equipment replacement parts are designed specifically for your PTO air compressor, to provide long lasting optimal performance.
